Anushka Baraskar

UX/UI Designer | Graphic Designer | Passionate Artist | Student at
KC College
Mumbai, Maharashtra, India

Summary

Hello! I'm Anushka Baraskar, a dedicated student at K.C. College with a profound passion for art, graphic design, and the fascinating world of programming. As a creative soul with a calm demeanor, I find inspiration in the fusion of art and technology, which drives my passion for graphic design and programming.

My journey in programming has not only ignited my curiosity but also enhanced my ability to collaborate effectively within diverse teams. .

Let's connect and explore how we can create exceptional projects together, where my artistic sensibilities and programming prowess can add value to our collective efforts.
